Hi,

I write to request that the Extension to the State of Emergency be denied.

I am aware of the agenda of the World Economic Forum, The Great Reset, Centre for the Fourth Industrial Revolution, Young Global Leaders and Davos Agenda 2022 among others. These organisations call for global unification under a New World Order and the actions of the Queensland Government appear to be in line with the phases and steps outlined.

Of particular concern is the current Phase 5 instructions:

**Phase 5: Establish chaos and martial law. (November 2021-March 2022)**

- > - Exploit the shortage of goods and food.
- > - Cause the paralysis of the real economy and the closure of factories and shops.
- > - Let unemployment explode.
- > - Apply a third dose to the vaccinated (boosters).
- > - Take up the murder of the living old men.
- > - Impose compulsory vaccination for all.
- > - Amplify the myth of variants, the efficacy of the vaccine and the immunity of the herd.
- > - Demonize the anti-vaccinated and hold them responsible for the dead.
- > - Arrest opposition leaders.
- > - Impose digital identity on everyone (QR code): Birth certificate, identity document, passport, driving license, health insurance card, etc.
- > - Establish martial law to defeat the opposition.
- > Result: Second stage of digital control. Imprisonment or removal of opponents.

This is a huge concern, particularly noting that the provision of the State of Emergency has seen the first Four Phases of the plan enacted to the letter. It has to stop. The so called "science" appears to be nothing more than a money trail and those responsible will be held accountable.
