Subject: No extended state of emergency for Convid 19
Date: Thursday, 3 March 2022 9:35:17 PM

To whom this may concern,

Enough. Please. Just enough.

The current state of emergency is the floods that Queenslanders and New South Welsh men and women, pets and livestock find themselves in. But this emergency will pass soon enough and does not warrant over reach by the government, just help. Actually... a lot of help.

Convid is over.

Leave us alone.

Sincerely
