Subject: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENSION OF EXPIRING PROVISIONS) AMENDMENT BILL 2022
Date: Friday, 4 March 2022 8:05:17 AM

Dear Sir/Madam

I am writing to express my opposition to the passing of the above mentioned amendment bill.

There is no longer a health emergency and covid is no longer a life threatening illness for the majority of the population. ABS data and TGA data have confirmed that it NEVER really was a threat.

Australians want their lives back now. 2 years of extreme measures that have now been proven unnecessary are ENOUGH!!

I vote NO to this bill.

Yours sincerely

Tania Purchase
