There never has been a Pandemic in Qld or Australia, the ABS and Health department statistics prove this. The PCR tests have been a Fraudas PCR has never been a stand alone diagnostic test and run at more than 24 cycles produces false Positives at 100% positive result. Covid has been nothing but a cruel hoax supported by corrupt and incompetent Politicians and Bureaucrats, committing malfeasance of the worst order that is Treason and Genocide against their own people. While the Uk and Many other countries drop the farce and fraud that is covid mandates. Hundreds of pages of Pfizer & Moderna & J&J documents are being released into the public sphere. legal actions are mounting and people are disappearing. Qld has had enough of the fraud and the killing. times up.
