---

A state of emergency (SOE) has been falsely declared and upheld in Queensland for 2 years and the Queensland Government should cease and NOT continue to see to further extend the SOE in Queensland EVER.

- Loss of freedoms
- Economic disaster.
- Mental grief and suicides
- Loss of employment
- Sending small businesses to the wall.
- Corruption of Power
- False justification for the State of Emergency
- Case Studies – proving stringent Government controls do not translate to better outcomes
- Demonising and silencing safe and effective treatments
- Vaccines have put people in harm's way
- Reject the bill and the extension to the state of emergency

PLEASE REJECT THIS  
EXTENSION FOR THE HEALTH,  
MENTAL AND ECONOMIC  
BENIFITS OF ALL  
QUEENSLANDERS.

Regards  
John Kelly
