Subject: Emergency Bill
Date: Friday, 4 March 2022 10:54:19 AM

To whom it may concern,

You must stop this Bill from going through, the people are on their knees this segregation and medical apartheid needs to end now. Please do the right thing by everyone and respect everyones choice for what's best for their own health. History will not look favourably on this current time and the people who supported it.

Kind regards,

Elle
