Dear Committee Secretary

Re: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENTION OF EXPIRING PROVISIONS.)

I wish to bring to your attention as a Queensland Citizen I do not support this Bill nor the Extension of The State of Emergency.

My reasons for this are:

The obvious impact this will and has already made to our democratic way of life

Today at 3pm Qld time a hearing will be held in the High Court of Australia to determine whether the Dept of Health has met his obligation to follow the science to cancel or suspend the provisional approval for experimental COVID vaccines in Australia

Yours Sincerely
