Subject: Ending mandates
Date: Friday, 4 March 2022 7:09:46 AM

My name is [REDACTED], 72, from Cairns. We are opposed to extending these mandates. A lot of the world has dropped them completely so should we. People need to be able to go back to jobs and work, especially after these natural tragedies. Can't help the mud army unless vaxed? What stupid person thought that up. I'm sure the votes will not go to people hanging on to mandates. Regards [REDACTED]
