Dear Committee secretary.

My wife and I do not support the Bill nor the extension of the state of emergency.

If the laws are extended Queenslanders will have been under a SOE for nearly 3 years. The supposed cure has brought about devastating loss of small to medium sized businesses, loss of jobs, increase in suicides.

There has been no public discourse, and we no longer have trust in our public institutions.

Our democracy has been decimated.

We leave it in your hands to do the right thing.

Kind regards.

Jim and Annabel Bartle
