Please stop. Please don't extend the bill for emergency. THERE IS NO EMERGENCY. THERE IS FLOODS our neighbours need help There is no need to control us anymore. Stop the diversion. Stop the mandates. Let us get back to being true Aussies, our Aussie spirit has gone. It's so sad that we are not one anymore. Please stop dividing us, it's heart breaking to see families, family businesses suffer due to a COLD.

PLEASE STOP. this is affecting US a lot. NOW WITH THE FLOODS. Enough is enough

PLEASE STOP THE EMERGENCY BILL.

Thank You
Julie
