Subject: State of emergency extension
Date: Friday, 4 March 2022 8:33:26 AM

Dear Committee

I strongly oppose the extension of a State of Emergency. The astronomical damage already caused by mandates and restrictions in this country is incalculable, more lives lost, at the hands of your government than anything else. It is appalling that you seek to extend the suffering of everyday Australians and continue destroying the economy. You no longer represent or serve the needs of this once great State and Country.

Regards
