Subject: Public Health and Other Legislation (Extension of Expiring Provisions) Amendment Bill 2022

I wish to strongly and formally advise that I DO NOT SUPPORT the Public Health and Other Legislation (Extension of Expiring Provisions) Amendment Bill 2022

For two years now, I have sat back and observed what has taken place as a result of a State of Emergency being declared and I've come to the conclusion that we, the Australian people, have been conned.

The vaccine HAS NOT worked but no government official will EVER admit that.

It is clear that the virus was NEVER as deadly as what the governments of the world wanted us to believe. Yes, it has been a nasty virus but so has other viruses in the past been nasty, not to mention even the flu. People died pre-Covid19 from nasty viruses and flus.

It is an established fact that people who have died of or with Covid have had other underlying conditions!!

I find it absolutely appalling that, at no time, have the Australian people been encouraged to build up their immune systems. It's just ALWAYS been about pushing the pharmaceutical agenda.

I have watched the devastation of people loosing businesses; heard of people committing suicide; heard of a new pandemic of mental illness; heard heart wrenching stories of people being deprived of being with loved ones for so many reasons, even dying parents; heard so many stories of people losing their source of income because they were deprived of the freedom to choose what they wanted injected into their bodies; heard of so many SEVERE adverse reactions people have had from the so-called vaccine and of people dying after having the vaccine (yet the government keeps telling us the vaccine is 'safe and effective'); and the list goes on!!!

How can we trust our governments after all that????

HOW ON GOD'S EARTH can those in authority ignore all this????

HOW ON GOD'S EARTH CAN THIS BE RIGHT???

This has clearly been about control, power, money, pride!! It has NOT been for the good of the people of Australia!!

And now the Queensland Government want to further extend the SOE until October 2022!!

GOD HELP US!!
