Subject: Public Health and Other Legislation (Extension of Expiring Provisions) Amendment Bill of 2022
Date: Friday, 4 March 2022 8:25:31 AM

Dear Secretary.

I would like to express my opposition to the extension of this Bill. There is No longer a pandemic.

More people have died on our roads than directly from COVID 19, in the last 2 years. Please look at the figures on your own website to see the number of deaths is less than even the yearly Influenza/ Flu deaths. Please respect the wishes of the constituents who elected you and remove ALL the mandates and regulations of the last 2 years, as the COVID 19 pandemic is over.

Yours most sincerely
