Dear Committee Members,

This Bill that is being put forward to have an extension should NOT be granted on the grounds that the destructive medical information that is not being taken into account.

The Qld community has been under duress for 2.5years and the economy and people's livelihoods, we are all suffering have contributed to a huge mental health crises not only in adults but out your children are suffering and suicide rates have increased.

Yes there is a virus but this COVID 19 is not dangerous like the Government has held us captive under these draconian measures and now they are wanting to extend these powers.

Especially in light of the recent documents that have been released from Pfizer with all 8 pages of Adverse Reactions and the dangers that this experimental vaccine is causing physical damages and death to the people of Australia and around the world its frightening and [REDACTED]

The TGA have turned their nose up at all the commonsense health and safety guidelines and completely ignored the dangers that this is causing. This BILL can not be passed as the Qld community has suffered enough. The mandatory draconian vaccine segregation and the reason behind has no substance except people have lost their businesses, lost their jobs, mental health has been affected, suicide rates have risen in young adults and adults due to all these restrictions. This is against all Human Rights and this is criminal.

We are suffering not being able to survive and this cannot be passed. More and more people are going to die. The EVIDENCE IS BEING REVEALED NOW AND THIS HAS TO STOP.. YOU CAN OBTAIN THE PFIZER DOCUMENTS THAT HAVE BEEN CIRCULATED.

WHAT THE QLD GOVERNMENT ARE DOING IS "[REDACTED]" ON OUR COMMUNITY!!! Save our community and stop this to help save our children and families from this hell...

STOP THE BILL..... DO NOT LET IT PASS!! EVERYONE THAT IS CONNECTED IN THIS WILL BE HELD ACCOUNTABLE ONLY TIME WILL TELL... STOP THE CORRUPTION!!!

Regards
