4 March 2022 Committee Secretary Community Support and Services Committee Dear Committee Secretary, RE: PUBLIC HEALTH AND OTHER LEGISLATION (EXTENSION OF EXPIRING PROVISIONS) AMENDMENT BILL 2022 (BILL)

There is no evidence of common good to be derived from approving this bill. It is in fact an unlawful direct threat to decent ethical democratic rights and freedom and the most unhealthy act conceivable when presented with actual health and or safety evidence or statistics that expose the global agenda that funds it. Please I employ you to protect my and my children's sovereign rights by rejecting this totalitarian bill.  
Faithfully  
Peter Taylor.
