Subject: Objection to the treaty.

Good Morning .

I would like to voice my objection to the treaty being pushed through Queensland Parliament.

Living in a county town like Rockhampton I can see what is going to happen .

For example on the Fitzroy river as a 74 year fisherman I cannot go with in 400 meter of the Barrage. but the aboriginal guys net inside the 400 maker ,we are a net free zone, of course they do it at night so they not seen and take over 20 barra. One rule for them another for us because we are white.

This Treaty along with Voice are going to separate us.

Kind Regards

Trevor Murphy
