

**Residential Tenancies and Rooming Accommodation (Rent Freeze) Amendment Bill 2022****Submission No:** 10**Submitted by:** **Publication:** Making the submission public but withholding your name**Attachments:** No attachment**Submitter Comments:**

This Bill is a patch for a symptom of the current market conditions and not a solution to the problem. Shortages of housing is what the government should be putting it's time and resources into correcting. Government should be facilitating the construction of more housing to increase supply and therefore push market conditions to decrease demand and rental prices.
