

**Residential Tenancies and Rooming Accommodation (Rent Freeze) Amendment Bill 2022****Submission No:** 60**Submitted by:** **Publication:** Making the submission public but withholding your name**Attachments:** No attachment**Submitter Comments:**

I think Australia is a market economy, everything is decided by supply and demand. I'm shocked I even need to waste my precious time to discuss this here. Why there is no such a bill that goverment freeze interest rate , energy price , medical insurance etc? This is a vicious bully to landlords. Shame on you! This just proves again this government is lack of vision and planning. It's so rotten that it should removed at next election.
