**Subject:** Submission on the Housing Legislation Amendment Bill 2021 and the Residential Tenancies and Rooming Accommodation (Tenants' Rights) and Other Legislation Amendment Bill 2021

Dear Bruce Saunders MP,

Dear Committee

Please find my submission the Housing Legislation Amendment Bill 2021 (The Bill).

The Bill fails to meet its key stated objectives. In particular it fails to ensure that vulnerable community members are supported to sustain tenancies. It also fails to remove the ability of lessors to end tenancies without grounds.

I want to see the following changes in the Bill.

**NO UNFAIR EVICTIONS.** The grounds to end a tenancy, for 'end of a fixed term', must be removed as a matter of priority before the legislation is passed. As it is, the Bill will increase the reasons why renters can be evicted at no fault.

**ALLOW MINOR MODIFICATIONS.** Being able to personalise and make safe my home is an important reform which should be included. The Bill must allow renters to undertake minor health, safety, accessibility and security modifications without prior approval, and minor amenity and personalisation changes with a short notification.

**MAKE IT EASIER FOR PEOPLE AFFECTED BY DOMESTIC & FAMILY VIOLENCE.** I support the government's proposals around domestic and family violence but they must also include the ability to install security measures without prior consent. This is a vital safety protection for people experiencing DFV.

Have landlords responsible for there maintainance to the property leased. Also to respect the health and saftey of the renters , and not to use (blackmail) to elderly tenants to scare them into not persuing there rights guided with RTA .

We need real change for renters that brings stability and the ability to make a place our home.

Yours sincerely,
