

MAKE IT EASIER FOR PEOPLE AFFECTED BY DOMESTIC & FAMILY VIOLENCE. I support the government's proposals around domestic and family violence but they must also include the ability to install security measures without prior consent. This is a vital safety protection for people experiencing DFV.

LET RENTERS CHOOSE TO KEEP PETS. The Bill will go some way to support pets but they will still see renters with pets vetted out at application time, and allow conditions where the average dog or cat must live outside. The Bill must be changed to start with an assumption that renters can keep pets if they choose; require the lessor to seek orders to restrict pets if there is a dispute, and declare any previous pet conditions upfront.

We need real change for renters that brings stability and the ability to make a place our home.

Yours sincerely,
