Speed enforcement:

Roads could be far safer with barriers, not secret cameras. You look at how many have been killed running into a pole, tree or head on, how much revenue is collected from 1; Main Roads -rego, 2; Fed Gov - fuel tax, 3; State Gov - fines etc and what percentage of this money goes into actually making existing roads safer ?

Fixed speed cameras:

Roads could be far safer with barriers, not secret cameras. You look at how many have been killed running into a pole, tree or head on, how much revenue is collected from 1; Main Roads -rego, 2; Fed Gov - fuel tax, 3; State Gov - fines etc and what percentage of this money goes into actually making existing roads safer ?

New technology:

Roads could be far safer with barriers, not secret cameras. You look at how many have been killed running into a pole, tree or head on, how much revenue is collected from 1; Main Roads -rego, 2; Fed Gov - fuel tax, 3; State Gov - fines etc and what percentage of this money goes into actually making existing roads safer ?

Comments:

Roads could be far safer with barriers, not secret cameras. You look at how many have been killed running into a pole, tree or head on, how much revenue is collected from 1; Main Roads -rego, 2; Fed Gov - fuel tax, 3; State Gov - fines etc and what percentage of this money goes into actually making existing roads safer ?
