Inquiry into developing Queensland's rural and regional communities through grey nomad tourism

Hi,

Just a small input on this from a "Grey Nomad", Qld is quickly becoming the state to be in if you are a grey nomad, good for us , and good [in money terms] for the town [shires] we visit.

The Towns that come quickly to mind are:

- Tiaro
- Blackall
- Isisford
- Home Hill
- Wyandra
- Clearmont [don't know if this is still the case, been awhile]
- Childers
- Gin Gin
- Chinchilla [at their weir]

There are more towns [and councils] in Queensland that are becoming RV friendly , and a "BIG WELL DONE" to Queensland The Smart State , or is it the councils thinking ahead?, WA is going the other way, NSW is OK but, could look to Qld.

Thank You.

Bob
