"The SRS is not an aspirational standard of school funding, as it is so often painted as today. The SRS is the minimum amount of funding required to have students reach the minimum achievement benchmarks. When governments fail to reach this funding level, they fail the students of this country" Adam Rorris (2021). Adam Rorris is an education economist and policy analyst who has worked for the World Bank, Unicef, Unesco and the Department of Foreign Affairs and Trade. <https://www.theguardian.com/commentisfree/2021/mar/23/the-australian-school-funding-wars-may-be-over-but-kids-at-public-schools-are-still-losing-out>
