***Q's 15 and 16 respondents were asked if they Agreed, Disagreed, were Unsure about the statements below.***

Q15 Please select your following view on the corresponding statements:

- Sunday trade will reduce shopping congestion during peak shopping periods
- Sunday trade will create job opportunities
- Sunday trade will give me more choice about when I shop and that is convenient
- Sunday trade will be helpful when preparing for school lunches and the working week
- Sunday Trade will mean parking in the CBD and plaza will be easier at peak times
- Sunday trade will help small businesses that already trade on Sundays who are located near large retailers
- Sunday trade will reduce congestion in stores at peak times
- Longer trading hours suit my lifestyle better
- Families with two working parents will find more flexible shopping hours helpful

Q16 Please select your following view on the corresponding statements:

- Shops should stay closed on Sunday because that's tradition
- Sunday trade will create job opportunities
- Sunday trade may increase competition for small retailers who already trade on a Sunday
- Sunday is a day of rest or religious day where shopping should not be allowed 6 days a week is already enough
- If major retailers were allowed to open it would harm the community

Q17 Do you have any comments for or against?
