Subject: Objection to the Education (General Provisions) and Other Legislation Bill 2024

To the Education, Employment, Training and Skills Committee,

I am writing to object to the Education (General Provisions) and Other Legislation Bill 2024 in the current form. I have specific concerns with the implications of Clauses 18, 64 & 68 and I am in support of the Free2homeschool Movement.

This will have a direct impact on an individual's homeschooling best learning environment, restricting them in their freedom of choice when it comes to educating their children, therefore having a detrimental effect on thousands of children across the state.

Kind regards,
Lynda Harding
