I am writing to object to the Education (General Provisions) and Other Legislation Bill 2024 in the current form. I have specific concerns with the implications of Clauses 18, 64 & 68 and I am in support of the Free2homeschool Movement.

What ever happened to “freedom of choice”?

I feel it will hinder a child’s learning opportunities and access to education and restrict them in having freedom of choice when it comes to educating children. It will therefore have a detrimental effect on thousands of children across the State..

It is becoming more like a “Police State” and this worries me immensely!

I definitely sat “NO” to these changes going through!

Kind regards,
Toni Dargie
