**Subject:** We DISAGREE to the HOME SCHOOL Curriculum requirements  
**Date:** Friday, 22 March 2024 9:41:14 AM

---

Hi there,

I do NOT agree to the changes to homeschooling curriculum requirements.

The national curriculum does NOT always suit home education because we teach via improvisation based on the days events and going with the interests of the child.

I object to the guiding principle of proving that homeschooling is in the best interest a child because how many hoops are parents ALREADY jumping through to educate their OWN children!!

Kind regards,  
Emma Ciaravaglia
