

## Education (General Provisions) and Other Legislation Amendment Bill 2024

**Submission No:** 1153  
**Submitted by:** [REDACTED]  
**Publication:** Making the submission public but withholding your name  
**Attachments:** No attachment

**Submitter Comments:**

The government is encroaching too much into our lives. People should have the freedom to receive an education that respects their culture, situation and religion. Forcing the national curriculum into home-schooling removes this freedom and that is unacceptable.
