

## Education (General Provisions) and Other Legislation Amendment Bill 2024

**Submission No:** 1205  
**Submitted by:** Arielle Valdez-Baltgalvis  
**Publication:** Making the submission and your name public  
**Attachments:** No attachment

**Submitter Comments:**

I believe it is a human right to choose the schooling that suits you best for your child and your family. We are living in a world of individuals, let the individuals have choice and their their life.
