Submitter Comments:

My name is [REDACTED] and u am almost 9 years old. I love being Home Educated because : I can visit the Queensland Museum as often as I want to help the Scientists find stick insect eggs and learn about STEAM at the Spark Lab I am able to improve my fine motor skills, reading and following instructions by building LEGO Minecraft it enables me to draw, paint and create when I feel the desire to do so we can go out and about to explore when it is less busy as I don't like crowds I get to spend lots of special time with my mum my mum takes me to Lego Club, Woodworking, Pottery, Art classes and my awesome Occupational Therapist and Psychologists
