Hi, I'm [redacted], I'm 8 years old and I am in year 3. I like home education because we get to build circuits and do sing and dance [lessons], it's awesome!

If the changes [to home education] went through, I would feel overwhelmed with that many subjects and be worried I would not have time for the things I enjoy. And I would be brain fried at the end of the day.

And I really don't want to change the math I do [The Good and the Beautiful, American based curriculum] I like the way it teaches with pictures and stories. I like my English work [also the Good and the Beautiful] because it has art and it is Godly.

Sincerely,
