

## Education (General Provisions) and Other Legislation Amendment Bill 2024

**Submission No:** 1951  
**Submitted by:** Robert Skappel  
**Publication:**  
**Attachments:** No attachment  
**Submitter Comments:**

**From:** [REDACTED]  
**To:** [Education, Employment, Training and Skills Committee](#)  
**Subject:** Home Schooling ?  
**Date:** Sunday, 24 March 2024 5:35:16 PM

---

The parents of the child should be allowed to give them as broad an education as possible !  
This is particularly important if the parent decides not to vaccinate their children !  
However, the State could provide learning materials & access to a computer if they are  
from  
low income families !

*Yours sincerely, Robert Skappel.*
