Dear Committee Members,

I am writing to you to let you know that I don't think you should change homeschooling in Queensland.

I'd like to tell you some of the things I love about home schooling.

Firstly, I get to learn about what I am interested in, which helps me to be excited about learning.

Secondly, we get more time to do what we call Project Time, which, for me, includes painting, crafting, sewing, investigations and special projects.

Thirdly, there's not so many assessment tasks that I feel worried. When I was at school, it felt like we were doing a lot of unnecessary assessment tasks.

I love home schooling and I feel so happy. I love all the new friends I've made.

In conclusion, I ask you to reconsider changing the way homeschooling works in Queensland.

Sincerely,
