To whom it may concern,

I am writing on behalf of the proposed queensland amendments to education and I oppose the current submissions on the basis of allowing parents, primary caretakers, to choose, with freedom and rights to their children's way of education.

These proposed plans over step what government believe they have a right in determining parents to say and do in their own child's life.

Children are in custody of parents NOT the state.

Kind regards,

[REDACTED]
