This ridiculous government under our so called premier [REDACTED] is absolutely unnecessary. There is no pandemic. The experimental medical gene therapy is [REDACTED]. We do not need this for a flu (& that's all covid is) that only effects less than 1% of the population. When are you [REDACTED] going to wake up. All politicians & the chief medical officer should be in jail. To promote that [REDACTED] Jeanette Young to governor is just the lowest act you [REDACTED] could pull off. [REDACTED]
