**Subject:** Stop the bill to extend the State of Emergency till next April  
**Date:** Thursday, 1 July 2021 7:30:21 PM

---

We are the voice of democracy.

I strongly refuse to accept the state government move to extend the State of Emergency for such a long haul. This covid can be dealt with by looking after the aged and the vulnerable while we, the healthy and the able carry on our life without interruption.

Faithfully,

Yumi Schaefer
