I would like to lodge a submission on the Bill ,The Public Health Amendment Bill 2021 . extends a range of emergency measures , including the extraordinary powers of the powers of the Chief Health Officer ,Dr Jeannette Young . I would let the Government know that we Queenslanders are still paying attention ,It will ultimately take away freedom of choice ,liberty and moven\ments of all Older 's and their families .It is a Bill that over extends over exceeds and over steps the mark of the Government's authority in this State . Thus , its true intention is nothing but dictatorial , Subversion Communist Government . This Bill absolutely proves that it's not keeping people safe but to control the numbers into submission through fear and scaremongering .I want my freedom . Don't let this Bill go through .
