Hi,

My name is Melanie Tennille Bell of [REDACTED]. My email address is [REDACTED].

I am writing to show my opposition to the Public Health and Other Legislation (Further Extension of Expiring Provisions) Amendment Bill 2021.

There has been a lack of transparency and integrity in relation to these amendments. We still live in a democratic society and these issues should be up for public debate, not hidden in the shadows.

Thanks  
Melanie Bell
