My name is Sarah Ann Crowhurst

I do not support this bill being passed, as I don't not believe Queensland is in a state of emergency with only a small amount of cases & no deaths in quite some time.

I believe this bill should be made more public, not just on your website... so majority of Queenslanders can have a choice in this decision. Not many people would know to find this information & i believe being tax payers & residents of Queensland, we have a right to vote on this choice publicly.

I do not support this bill
