Subject: OBJECTION TO "further extension of expiring provisions" Amendment Bill 2021 on 16 June 2021
Date: Friday, 2 July 2021 12:29:18 PM

From ; James Kyle
[REDACTED]

To; The Queensland's Minister of Health and the Queensland Parliament and Australian Parliament.

I want to voice My Objection to the latest Public Health and Other Legislation (Further Extension of Expiring Provisions) Amendment Bill 2021 on 16 June 2021, in the middle of Queensland's Budget Sitting. The Bill extends Queensland's Emergency Response Act measures a further seven months, from 30 September 2021 to 30 April 2022, with some measures extended to 22 May 2022.

As a member of the public that you serve I OBJECT to this extension requested above.

I also OBJECT to any state of emergency that you have placed upon the people of this country in the last year and a half and any that we are currently in.

The evidence that the current CV19 is NOT a pandemic is stacking up against you.

We the people DO NOT agree to this tyranny.

Regards,

James Kyle
