Hi,

Pertition: STRONG NO.  
STOP BILL "Covid-19 Emergency Response" going through parliament.

This is all FEAR based.

Let us get on with our lives and work to keep the economy and our Country strong.  
Support us, support our small business, Don't choose for us by FEAR.

STOP THE FEAR.

Give our humanity FREEDOM And let us fight the flue, as our bodies are created to do naturally.

Add money to Upgrade the health CARE.

STOP THE LOCKDOWNS, give us our choice, to fight naturally, like we have for many years.

WE ARE THE PEOPLE THAT VOTE ,
