Subject: Proposed bill to extend emergency powers to April 30 2022

To whom it may concern, I am writing this letter to express my concerns about the proposed extension of emergency powers to April 30 2022.

I absolutely do not agree or support this, it is absurd and absolutely not needed and not welcomed, this is causing much unneeded stress and pressure on main stream public who are already suffering mentally and financially.

Respectfully
James Barr
