Amendment Bill 2021

Public Health and Other Legislation (Further Extension of Expiring Provisions) Amendment Bill 2021

Tried numerous times to tap on the link to make a submission, without success.

Hope this is successful in our democratic society.

I had no idea this bill was even being thought of, or updated.

Where is the transparency?

Surely this is a medical situation, and should have gone to the appropriate committee? To assess the potential outcome.
