Amendment Bill 2021

To whom it may concern

We do not need, nor should we be given an extensions of emergency action in Queensland. Only 7 people have died in Covid in QLD since it began nearly 2 years ago - that is NOT an emergency - more people die of suicide, the flu, etc! There is NO emergency in QLD, even with lots of cases, the chances of fatality is less than 1%!

Let us get back to normal!

Yours sincerely,
Katrina Scuderi
