**Subject:** Proposed Extension of Emergency Powers

Dear Member

I am writing to you to express my strong opposition to the proposed extension of emergency powers in Queensland.

As a concerned citizen, I am not prepared to have imposed restrictions on travel, business, my ability to attend church, school or sport. I am also not prepared to allow the state to mandate the wearing of masks, which contradicts the Nuremberg Code, Article 6, Section 3.

I also object strongly to social distancing rules and limits on numbers who gather at one time and border closures.

Thank you in advance for supporting my request as a loyal constituent.

Leonie Bell
