Subject: submission re: Bill to Extend Emergency Powers

To the Committee,

I am sending this submission to inform you that as a concerned citizen, I do not consent to the Bill to Extend Emergency Powers.

Not only does it concern me that (as shown on the Therapeutic Goods Administration website) the COVID-19 (experimental) vaccines are posing more of a threat to people's health than the virus itself, but the fact that the Bill has been created without the consent of the public.

This is not democracy.

I do not consent.
