Subject: Extension to emergency powers to be extended to 30/4/2022

I Catherine Mary Whiting of [REDACTED] I am appalled at number one the extension of this bill right through to 30/4/2022 and number 2 the extensive and dangerous powers this bill contains. A large number of powers really have nothing to do with COVID and everything to do with controlling Queenslanders in manner more in line with a dictatorship rather than the form of government we are supposed to governed by.

I believe this should not be approved through parliament in the interests of all Queenslanders.
