To whom it may apply,

OBJECTION TO THIS PUBLIC HEALTH ACT AMENDMENTS

Public Health and Other Legislation (Further Extension of Expiring Provisions) Amendment Bill 2021

On 16 June 2021, the Minister for Health and Ambulance Services, the Hon Yvette D'Ath MP, introduced the Public Health and Other Legislation (Further Extension of Expiring Provisions) Amendment Bill 2021 (Bill) into the Queensland Parliament. On 18 June 2021, the Bill was referred to the Economics and Governance Committee for its consideration and report to the Parliament by 6 August 2021

I, Claudia Schmeink, [REDACTED], oppose the extension to the amendment bill 2021

The Qld government cant be trusted to be fair and reasonable, and continue to ignore the science they preach for everyone to follow, so I hereby state my objection to the extension, and trust that the committee will do the right thing for the people.
Regards,

Claudia Schmeink
