Subject: Subject: I DO NOT CONSENT TO EMERGENCY POWERS BEING EXTENDED
Date: Wednesday, 7 July 2021 3:33:28 PM

I, Terence Pope of [REDACTED] email provided as the sender, am a People of Australia.

I have not, do not, and will not consent to you extending the Emergency Powers Act, in fact I absolutely object to such an act.

I will not be restricted any longer.

My WILL is that you DECLINE the approval of such a bill and approve that PERSONAL RESPONSIBILITY be taken by each individual from now on.

This whole show has been and continues to be a gross misrepresentation of FACTS and criminal behavior is extremely evident, and all in the name of "emergency" for a "potential" threat!

You have done and are doing nothing but invading and violating Federal Law after Federal Law... You're violating our Constitution, the Magna Carta, the Nuremberg code and simple, basic human rights and privileges.

It is absolutely disgusting behaviour.

You DO NOT have the right to Govern OVER me or anyone else other than YOURSELF. You are placed in these positions to SERVE US!!! THE PEOPLE ARE SICK AND TIRED OF YOUR GOVERNMENT.

CEASE AND DESIST IMMEDIATELY!

THE BILL:

<https://www.legislation.qld.gov.au/.../bill.../bill-2021-020>

1) You have been deceptive and have failed to consult the general public in order to introduce AND PASS the Bill, and this is evident and described in the bill itself:

“Broader community consultation has not been possible given the need to ensure the amendments are introduced and passed before the expiry of the measures on 30 September 2021.”

2) You have never consulted the people in regard to quarantine.

YOU ARE THE STATE! And as such, you have NO POWER to force quarantine.

Section 51 (ix) gives Legislative power ONLY to the Parliament.

The Constitution, Chapter I, Part I, 1. Legislative Power, states: “The legislative power of the Commonwealth shall be vested in a Federal Parliament,

which shall consist of the Queen, a Senate, and a House of Representatives, and which is hereinafter called The Parliament, or The Parliament of the Commonwealth.”

Your Bill states: “No community consultation was undertaken on the proposed amendments to the legislative framework for payment and collection of quarantine fees. Impacted stakeholders will be consulted during the development of the implementing regulations and guidance materials.”

3) You are inconsistent with the Federal Laws, which under Section 109 of the Constitution makes all things inconsistent INVALID. S.109 states:

“When a law of a State is inconsistent with a law of the Commonwealth, the latter shall prevail, and the former shall, to the extent of the inconsistency, be invalid.”

Your Bill states: “The Bill is specific to the State of Queensland and is not uniform with legislation of the Commonwealth or another state or territory.

There is NO PANDEMIC and you are harming or KILLING people, and you KNOW this!

It is 100% evident in your Acts, legislations, declarations, and etc because the way things are described is absolutely deceptive.

<https://www.legislation.gov.au/Details/F2021C00522> this legislation, for example, states very

clearly "a human coronavirus" and “with pandemic potential” followed by alluding to

COVID-19, however the declaration itself is NOT referring to COVID-19.

This is misleading and deceptive and you are being called out.

REMOVE your unlawful Bill and CEASE this tyrannical injustice being forced upon us all IMMEDIATELY!

You are hereby warned and, or, informed that if you are a member of The Parliament of The Commonwealth, you can be disqualified from either house of The Parliament under section 44 of the Constitution.

We the People are standing up.

DECLINE this Bill, CEASE the Emergency Powers, and approve Personal Responsibility! Effective immediately!

Terence Pope
