Subject: I Do Not Consent to the New Proposed Bill Extending Emergency Powers to April 30 2022
Date: Thursday, 1 July 2021 5:51:52 PM

Hi committee members,

My name is [REDACTED] and I am writing to you because I do not consent to this proposed new bill which will extend the state of emergency powers until April 2022.

This makes absolutely no sense whatsoever! To lockdown, wear masks, cause economical pain, mental health issues, domestic violence, suicides, violence, over a virus that hasn't even reached an epidemic here in this country.

It is not wise and it is inhumane!

I urge your committee to reconsider? Surely you all have families, relatives and friends who will be affected by these measures.

This is not the way to go.

Thank you for your time.

Kind regards,
[REDACTED]
